VRNJACKA BANJA, 04TH - 6TH March 2014

Match system

-  The matches of the YAC EURO Qualification are played in groups with each team playing all opponents in its groups once in a tournament (round robin system).
-  All matches are played in two times thirty (2x30) minutes with a half-time break according to the IHF Rules of the Game. There shall be no extra time.
-  Two (2) points are awarded for a win, one (1) point for a draw and no point for a defeat.
-  **Teams' ranking in a group is obtained by adding up the number of points won by each team in each group match.**

Equality of points during and after the YAC EURO Qualification matches

If two or more teams are equal on points in the YAC EURO Qualification, their ranking is determined as follows:

During the YAC EURO Qualification:

- a) superior goal difference from all group matches (achieved by subtraction)
- b) higher number of goals scored in all group matches
- c) by alphabetical order

After completion of the YAC EURO Qualification matches:

- a) higher number of points obtained in the group matches played among the teams in question
- b) superior goal difference from the group matches played among the teams in question
- c) higher number of goals scored in the group matches played among the teams in question
- d) superior goal difference from all group matches (achieved by subtraction)
- e) higher number of goals scored in all group matches

If this procedure does not lead to a decision after completion of all YAC EURO Qualification matches, a draw must decide the ranking. The draw must be carried out by the EHF, if possible in presence of at least one (1) representative of each Federation concerned.
