Dear Mr. President,

Dear Bozo,

On behalf of the EHF Executive Committee I would like to express our gratitude to the Serbian Handball Federation and to you personally for the perfect organization of our meeting in Belgrade. Our Executive Committee members carried out a successful meeting in a nice atmosphere and under very good conditions.

The success of the meeting and the interest in our sport demonstrated through the presence of Darko Stanić, State Secretary for Sport and Youth, underlines the longstanding co-operation between the EHF and Serbian Handball Federation.

Wishing RSS a successful organisational and sporting season I remain

With best regards

**EUROPEAN HANDBALL FEDERATION**
